

ACTION PLAN for the implementation of the Sofia Declaration on the Green Agenda for the Western Balkans 2021–2030

The action plan was prepared by Regional Cooperation Council (RCC) and was adopted in Slovenia at the EU–Western Balkans Summit in October 2021. In the 58–point Action Plan for the Green Agenda for the Western Balkans for the period until 2030, carbon pricing, coal phaseout plans, regional integration, pollution control and environmental protection are the most important segments.

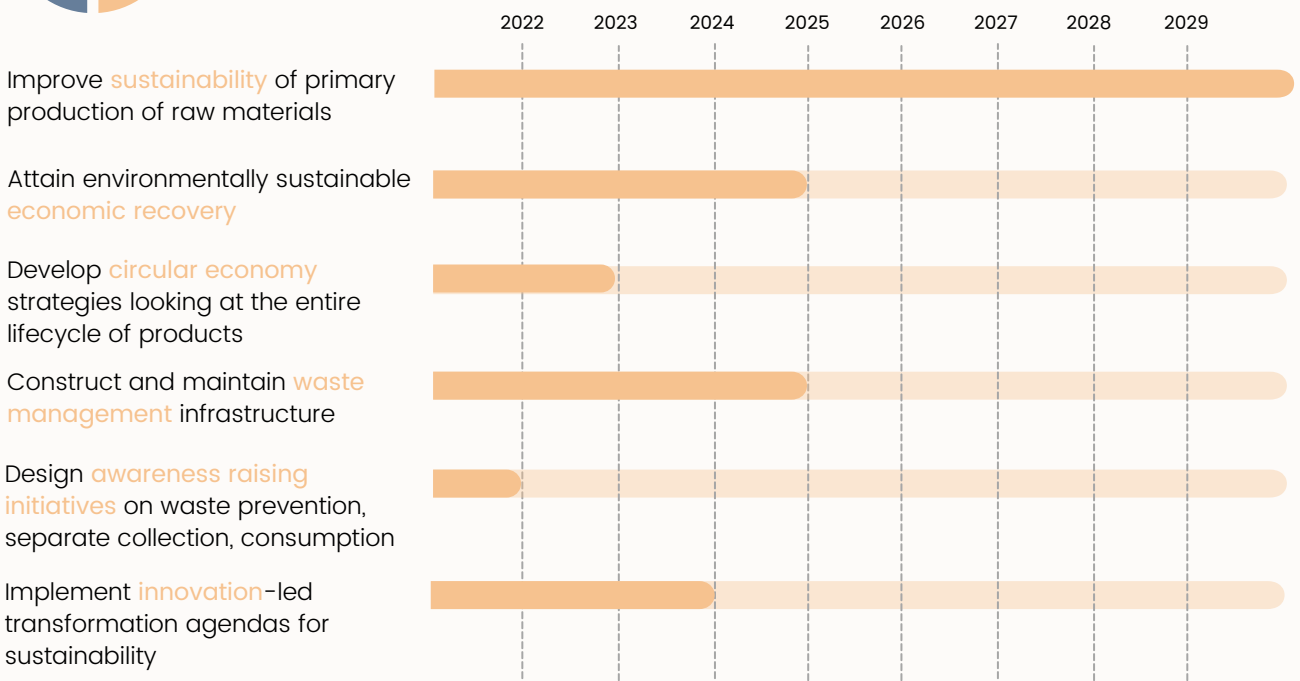

What is the envisaged time frame for implementing the action plan points?
